

BADGES SONG

We've been singing complicated verses
Songs with actions, songs in rounds.
Now we've finished and it was delightful
Making all those glorious sounds.
Now we're leaving, don't be grieving,
See you all again next time,
Leave your badges or pay the fine

Leave your badges, leave your badges,
Leave your badges in the bag,
Leave your badges in the bag.

NOW IS THE HOUR

**Now is the hour for me to say goodbye
Soon you'll be sailing far across the sea
While you're away, oh please remember me
When you return you'll find me waiting here**
