

Rice Krispies

Snap, what a happy sound
Snap is the happiest sound I've found,
You may clap, rap, tap, slap,
But Snap makes the world go round.

Snap, Crackle Pop, Rice Krispies.

I say it's Crackle, that crispy sound
You've got to have Crackle or the clock's not wound
Geese cackle, feathers tickle, belts buckle, beets pickle,
But Crackle makes the world go round.

Snap, Crackle Pop, Rice Krispies.

I insist that Pop's the sound
The best is missed unless Pop's around,
You can't stop hopping when the cereal's popping,
Pop, makes the world go round.

Snap, Crackle Pop, Rice Krispies.
