

River of Dreams (Bass Part)

INTRO

Ooh -ooh-ooh Ahh -ahh- ahh, Ooh -ooh-ooh Ahh -ahh- ahh

VERSE 1

(In the middle of the) Night, of the night, sleep, in my sleep from the mountains faith,
To the river deep, so deep, ooh ooh ooh
Something, for something lost, I lo-o-ost, wide, so wide
(WAIT) Too hard to cross

MIDDLE SECTION

Ooh-ooh, I walk down every evening and stand on the shore
Ooh-ooh, so I can finally find what I've been looking for

VERSE 2

(In the middle of the) Night, of the night, sleep, in my sleep through the valley fear,
To the river deep, so deep, ooh ooh ooh
Taken, out of my soul, my so-o-oul, lose, ooh-ooh
(WAIT) Somebody stole

MIDDLE SECTION

Ooh-ooh, But now I'm tired and I don't want to walk any more
Ooh-ooh, so I can find what it is I've been looking for

VERSE 3

(In the middle of the) Night, of the night, sleep, in my sleep from the jungle doubt,
To the river deep, so deep, ooh ooh ooh
Something, for something undefi-i-ined, only, be seen
(WAIT) Eyes of the blind

INTRO

Ooh -ooh-ooh Ahh -ahh- ahh, Ooh -ooh-ooh Ahh -ahh- ahh

MIDDLE SECTION

Ooh-ooh, God knows I've never been a spiritual man
Ooh-ooh, into the river that runs to the Promised Land *(Dramatic Pause)*

VERSE 4

(In the middle of the) Night, of the night, sleep, in my sleep through the desert truth,
To the river deep, so deep, ooh ooh ooh
Ocean, the ocean streams, the strea-ea-eams, carried along
(WAIT) River of dreams

INTRO

Ooh -ooh-ooh Ahh -ahh- ahh, Ooh -ooh-ooh Ahh -ahh- ahh (X2)
Middle of the night.
