

## THE BLACK HILLS OF DAKOTA

Take me back to the black hills, the black hills of Dakota  
To the beautiful Indian country that I love  
Lost my heart in the black hills, the black hills of Dakota  
Where the pines are so high that they kiss the sky above

And when I get that lonesome feeling  
And I'm miles away from home  
I hear the voice of the mystic mountains  
Calling me back home

So take me back to the black hills, the black hills of Dakota  
To the beautiful Indian country that I love

Take me back to the black hills, the black hills of Dakota  
To the beautiful Indian country that I love  
Lost my heart in the black hills, the black hills of Dakota  
Where the pines are so high that they kiss the sky above

And when I get that lonesome feeling  
And I'm miles away from home  
I hear the voice of the mystic mountains,  
Calling me back home

So take me back to the black hills, the black hills of Dakota  
To the beautiful Indian country that I love  
To the beautiful Indian country that I love.
