**(Words adapted for the people of Ukraine)**

1. Shadows are falling and you're running out of breath,  
We'll keep you in our hearts for a while,  
If you leave it doesn't mean you love Her any less,  
We'll keep you in our hearts for a while.

2. When you get up in the morning and you see that crazy sun,  
We'll keep you in our hearts for a while,  
There's a train leaving nightly called 'When all is said and done',  
We'll keep you in our hearts for a while.

3. Sha la-la la-la-la-la Sha la la la-la  
We'll keep you in our hearts for a while,

4. Sometimes when we're doing simple things throughout the day,  
Maybe we'll think of you a while,  
You know we're tied to you and we won't go away,  
We'll keep you in our hearts for a while.

We'll hold you in our thoughts, we'll take you to your dreams,  
We'll catch you as you fall into view,  
When the winter comes, we'll keep the fires lit  
And we'll be right next to you.

5. Engine driver's headed West to where the air is clean,  
We'll keep you in our hearts for a while,  
We'll keep the wheels turning when you're running out of steam,  
We'll keep you in our hearts for a while.

6. Sha la-la la-la-la-la Sha la la la-la
