           Am7       D7sus4                G    Gsus4   G
And that old north wind should begin to blow

Keep your head together and call my name out loud

Now, ain't it good to know that you've got a friend
        G                      Gm7
When people can be so cold?

They'll hurt you, yes, and desert you,
        Em                     A7
They'll take your soul if you let them,
        D7sus4                 D7
Oh, but don't you let them

          G            Gmaj7          C                    Am7

And I'll be there, yes I will,
