```
          A                    D       E  A                    D       E
     The tide is high but I'm holding on, I'm gonna be your number one
     A                         D             E         A         D  E
     I'm not the kind of girl who gives up just like that, oh, no
   A                                      D       E
It's not the things you do that tease and hurt me bad
A                                        D     E
But it's the way you do the things you do to me
A                    D              E         A         D  E
I'm not the kind of girl who gives up just like that, oh, no

A                     D       E    A                        D    E
